

What I Am Thankful For  
By QUINTAN MCCONNELL  
Cortland Jr. High School, Cortland Ny

I am thankful for my dog, my dad and mom, my games, and my turtle. I am thankful for these things because they are in my life every day. The reason I am thankful for my dog is because we love playing together. I have had him since I was four or five years old. I am grateful for all of this.
