

These Are the People I Am Thankful For
By Zandor French

I am thankful for my mother. This is because she gave birth to me and cared for me my whole life. She has given me clothes and food and also a roof over my head. The second person I'm thankful for is my basketball coach Mr. Lazama. Without him, I wouldn't be able to play basketball for the school and have fun with my basketball team. The team includes Trey, Jaxson, Aaron, Avion, Jack, James, Grayson, and Brayden. These are all the people I am thankful for.
