

The Things I'm Thankful For  
By Bailee Inman

I am thankful for several things. I am thankful for my clothes. They cover my body and are mostly comfortable. I am thankful for perfume, so I can smell good and fresh for the day. I am thankful for food, so I'm not starving through the day. My food also keeps me healthy. I'm thankful for fun things like my Hello Kitty because they keep me cheerful. I'm also thankful for animals because they are a part of nature. I'm thankful for these things because they help me in life.
