I'm thankful for my family.  
I'm thankful for my family because they help me.

I'm thankful for my family.  
I'm thankful for my family because when I have a problem with my friends at school,  
they help me get out of it.

I'm thankful for my family.  
I'm thankful for my family because they get me new shoes almost every week ,and they  
get me a seafood boil.

This explains why I'm thankful for my family because they help me out when I need it.  
This is why I'm thankful for my family.
