

What I Am Thankful for  
By Elijah Dayton

I am thankful for three things. The first thing is my family. I am thankful for them because they are always there for me and without them I would not be here. The second thing I am thankful for is board games. I am grateful for them because my family and I play them a lot, and they are really fun to play. The third thing I am thankful for is my house. I am thankful for my house because without it, I would have no shelter or roof over my head. Like when it rains, I would have to sit out there soaking wet. Those are the three things I am very thankful for.
