

Grateful for Books
By Grace Westmiller

I am grateful for books. They send you into new worlds where the unimaginable is possible. I've always loved unrealistic books because when I read, I want to read about other worlds and not my own. My favorite book is Sorcery of Thorns. It was really the first book that got me to love fantasy as much as I do. As mentioned before, when I read books there are so many other worlds to be explored. I can pretend that I'm a witch or an explorer. In all, I'm grateful for books because I can pretend to be something I'm not and have endless possibilities.
