

I'm thankful for my mom
By Madison Grady
Cortland Jr. High School, Cortland

I'm thankful for my sweet mom. She's the sweetest mom ever. I could never be more grateful for what she does for my family and me. She's always looking out for me. Oneway she looks out for meis she is always making sure the bills are paid. That way I have a roof over my head. She makes sure that I have food in the fridge. I'm really thankful for that. She reminds me if I have everything for school that I need. She does everything she can do to put a smile on my face. I'm the person I am today because of her
