

My Mom
By James Thomas

I am very thankful for my mom and I love her a lot. She is the one who brought me to this school so that I can learn more compared to homeschool, and I am thankful for that. My mom is special because she shows me the importance of doing my homework when I get it. When we have time to ourselves, we always have a good time and since I don't have a dad, I am thankful for all the bonding we have had. My mom is the best in the world.

**Best
mom
Ever**

The text 'Best mom Ever' is written in a large, black, cursive font. The word 'Best' is on the top line, 'mom' is on the middle line, and 'Ever' is on the bottom line. A small heart is positioned above the 't' in 'Best'. A decorative arrow with three fletches points to the right, positioned above the 'v' in 'Ever'.
