

I'm Thankful For...

Leora Mirocznik

I am thankful for
the outdoors.

The sun is
gorgeous

The beach is the
best! It helps put me
in a better mood. I'm
so thankful for it!

Makeup really makes me
feel pretty. I'm so
thankful that when I
wear makeup it makes
me have a better day!

I'm so thankful
that my mother
bought me a very
comfortable and
pretty bed!

Food is the thing I'm
most thankful for. I'm
thankful for it every day!
