I'm thankful for
The sky above,
where Jesus waits
and shares his love.

I'm thankful for
The people in my world.
They make me feel so loved,
so needed and cared for.

I'm thankful for
Nature's grace, I'd die without.
Sweet breeze, rough waves, bright stars, soft clouds
their beauty shows inside and out.

I'm thankful for
Every opportunity I'm given.
God blesses me every day by letting
me live out my dreams...Happy Thanksgiving!
