

**A Person I'm Thankful For**  
**By Jamyson Kearney**  
**Cortland Jr. High School, Cortland NY**

**I am thankful for my friend Harper. She is very humorous. She always makes me laugh and does silly things to make me laugh. She is smart. She always knows what to do in serious situations and is very intelligent. She is very fair. She always makes sure that everyone is included and is nice to everyone. This is why I am thankful Harper is in my life.**
