

**My Dad**  
**By Peyton Poindexter**

**I am thankful for my dad! He always takes me with him to different places. For example, he took me to Chili's after we went to a Bass Shop, and it was terrific. I love when he gets us things even if they are not that special. He is a great dad and always will be for our family. Here are some pictures that represent my dad. I love him so much!**
