

Dua fatima  
Grade 6

## *Thanksgiving poem*

I am thankful for my family  
They are always by my side.

I am thankful for my mom  
She is the key to my heart  
She is like my love  
She gave me confidence  
She gave me advice  
She is always by my side  
She is funny  
She is cute\pretty.

I am thankful for my dad  
He told me to try my best  
Get in a good school  
And succeed.

I am thankful for my brothers  
They help me  
Play with me  
Without them i would be bored  
I always miss the older brother because he is never home  
My other middle brother he is annoying sometimes  
But I still love them.

I am thankful for clothes  
I am glad i even have clothes  
Some people don't.

I am thankful for how i look  
I don't think if i am pretty or ugly  
I love how God created me.

I love God how he created me.
