

*Esther Ibragimova*  
*6th grade*

## ***My family***

**My family is very important to me  
I am always grateful for my family  
They always are by my side**

**They help me to the shine of the sun  
The sun shines all the time  
Bright bright when we together**

**We all shine when together  
People are better with family  
The shine to the air  
Air shines together**
