

Things I am Thankful for this year is..

Farangiz Tohirova, Grade 6

I am thankful for..
A family that takes care of me,
That makes me happy, and
makes me feel loved.
People who don't want you
lonely
All alone
Is called a friend,
Who cares for you,
Learning things you don't know
till you know,
Is school.
Awesome teachers everywhere,
Nice, kind, helpful.
