

I Am Thankful For
By Gabriel Makhatadze
Grade 6

I am thankful for coming to America.
Also thankful for my family and friends
for taking care of me and standing
by my side.

I am very thankful that I passed the
exams at Bay Academy and start learning
at the school. I am very grateful
for my teachers here
They are very kind and helpful.

They always help me when I need.
I want to thank all of them.
I hope I will return this favor one day.
