

I am thankful...

By Nelson Mo-Grade 6

I am thankful for the sun on my face,

For the warmth of a friend's embrace,

For the laughter that fills the air,

For the love that is always there.

For the beauty of nature there and here,

For the strength of my heart,

For the knowledge that keeps me part,

For the little moments that make life sweet,

For the hope that keeps me going,

And for the opportunity to learn and grow
