

I am thankful for everything!

by Stanley Pantaler, 6th Grade

I'm thankful for my mom
Because she treats me like a god
I'm thankful for my dad
Even when I am mad
I'm thankful for my phone
Because I always use it at home
I'm thankful for food
Because it puts me in a good mood
I'm thankful for my brother
Because he's like no other
I am thankful for life
Even though it stabs me like a knife
I am thankful for everything
Because without it, I would have nothing.
