

# Think on the bright Side of the turkey

Don't be thankful for the bad things,

Be thankful that good will come.

Don't be thankful for the cold rain,

Be thankful for the rainbows that come after.

Don't be thankful for the cold winter,

Be thankful for the warm spring to come.

Don't be thankful for waking up early in the morning,

Be thankful for the fun day ahead of you.

Don't be thankful for the out-of-style clothes,

Be thankful you have warmth in the cold weather.
