What qualities am I thankful
for

- There are a lot of qualities to be thankful for. One quality is that I am smart at math. I am thankful for being smart because I will be able to pass school. Another quality I am thankful for is being friendly because I have lots of friends. I am thankful for being kind because I will make more friends. I am thankful for trying my best. I am also thankful for being aware because I will know a lot of stuff of the world around me.
