Greatfulness

I am thankful for Monica  
She helps me around the house  
One of the things I can be grateful is Nicole  
She helps me clean up after the dogs.  
Sasha helps me with bringing light stuff  
when I do stuff around the house  
My cat "Timoka" brings Joy into my life  
since he is funny, annoying & gives me a responsibility  
My dogs "Tina" & "Lili" bring some chaos into my life  
by always being energetic, loud, and always misbehaving.
