What I'm Grateful For

I'm thankful for many qualities in my life.

I am thankful to have a family that loves me (except my brother, I don't know about him).

Even if I don't like it, I'm grateful for the opportunity to go to a private school.

I appreciate my friends just as much as my family.

I'm also grateful for the little things like being able to live in a house and having food to eat.

Lastly, I am thankful for not being a fish.

If I was,
I wouldn't do good.
