

Qualities I am Thankful For

By Alex Donovan

*A few things I am thankful for is be tall
I like helping people get stuff from high places.*

*Another thing I am thankful for is knowing English because it is
one of the hardest languages in the world.*

*Another thing I am thankful for is being good at baseball because
it is a really fun and hard sport*

*Another thing I am thankful for is being smart because I am able
to help others with schoolwork such as math*
