My Thanksgiving Essay

By: Daas McClain Orchier

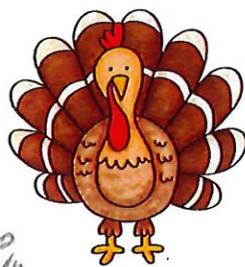

Thanksgiving started in 1621 when the Pilgrims and the Native Americans got together and celebrated the harvest with a feast. Thanksgiving is the time of year when we think of what we are thankful for. During Thanksgiving I get together with my family in my grandma's friend's home. I am thankful for food, water, shelter, air, friends, and family because they make me happy.

I am very thankful for food, water, shelter and air because they help me survive. Food is for my stomach so I do not die from hunger. Water is essential so it is a big need to survive. Shelter is important so we can survive harsh weather and we have a place to sleep instead of the outdoors. Air is what helps us live. We need it all the time. We would die without it.

I am thankful for my friend Leandra because she is loyal to me. Leandra

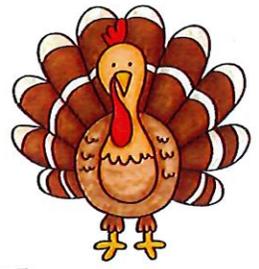

is loyal to me because she did not tell me about something she did but then she told me.

I am also thankful for my friend Livia because she is very kind. Livia is kind because on the first day of school she asked me to play with her.

I am thankful for my family.

I am thankful for my mom because she is caring. She is caring because when I was depressed she made me feel better by giving me a hug. I am thankful for my dad because he is funny. My dad is funny because when I was doing my homework he picked up the family cat and lifted him in the air which seemed very funny. I am also thankful for my grandma because she is kind. My grandma is kind because she

introduced me to people
so I can have more
friends. I am also thankful
for my grandpa because he is
funny. When he is with me he
does a trick so it is like
he took my nose. I am also
thankful for my aunt because
she is kind like when she
wanted to see me because she
missed me. I am thankful for
my cousin because he is silly.
My cousin is silly when he
plays with me and makes noises.
Thanksgiving is great because I
think of what I am thankful
for. I am thankful for food, water,
shelter, air, friends and family. I am
grateful for these things and much
more.
