The first Thanksgiving happened when the Native Americans and the Pilgrims shared a meal together. Oh Thanksgiving I have a meal with my cousins and family. We eat chicken, Chinese food, and Cakes with turkeys on top. This Thanksgiving I am thankful for my School, Parents, and Friends.

Firstly, I am thankful for my School because I like using my school supplies everyday. I also like playing Hockey at gym with my friends. I also like playing basketball and soccer at my gym. In addition I like learning multiplication.

Secondly, I am thankful for my Parents. My mom makes me yummy food. My dad takes me to sports games. They get me great toys and jerseys, and take me on the best trips. They also take care of me and my sister.

Thirdly, I am thankful for my friends.

We play with each other everyday. They

cheer me up when I am upset.

We have fun talking about sports

together. We also have fun

play dates every shabbos.

As I enjoy this holiday season, I realize that I have many

Reasons to be thankful. School, family, and
friends are just a few of the blessings in
my life
