# A Nice Thanks Giving

by Josh Pined

The pilgrims and Native Americans had a feast in 1621 which was the first Thanks giving. Abraham Lincoln made Thanks giving a holiday in 1863. Thanks giving is so good because I get to eat turkey and pumpkin pie. I also get to go to my babi and Zadi's house with my family, cousins, aunts and uncles. I am thankful for money, God and family.

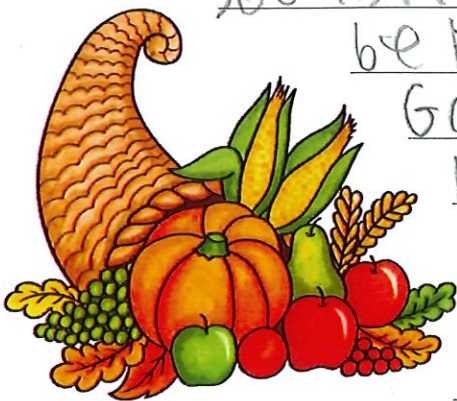

I am thankful for money. I am thankful for money because I can imagine what I can buy with the money. With money I can buy my mom what she needs for Thanksgiving. Another reason I am thankful for money is I can give homeless people money to buy food. The last reason I am thankful for money is I can buy toys to keep me busy.

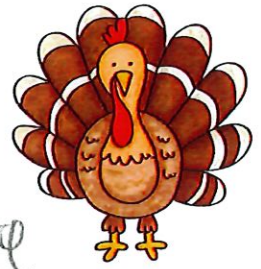

I am thankful for God. God made me have a good country and life so I am thankful for him. God made me have a good smart brain for math, science, social studies and ELA. God also helps me to be kind and help people with math.

God watches me and helps control my lips so I don't bite and curse.

I am thankful for family.

My dad is so kind because he makes silly jokes and cooks yummy food for me.

my mom is so nice  
because she helps me with my  
home work. My brother, dad and I once  
went hiking and I was thirsty  
so my brother gave me his water  
and that's so kind. My dog is so sweet  
because whenever I get hurt she licks  
where I got hurt. My sister is  
so nice because she gives me her  
candy to eat whenever I am hungry.

As I enjoy this holiday season I  
realize that I have many reasons to  
be thankful. Money, God and family are just  
a few of the blessings in my life!
