Thanksgiving Thankfulness

by Megan Roy

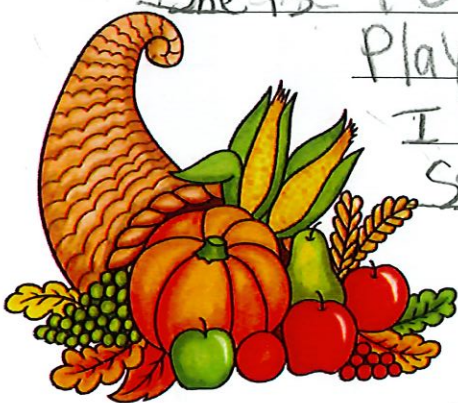

Thanksgiving reminds me of all the people and things I am thankful for.

I appreciate family, friends and Hazel Dale school.

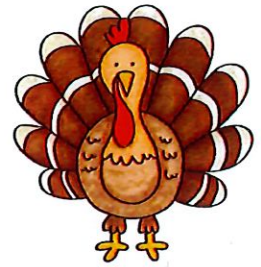

I appreciate my family. My mom is understanding because when I have a bad day in school she is there to talk to me about it and give me a hug. My dad is so awesome because he is so fun to play with. My sister is so nice. She always stands up for me. My grandparents are so kind they let me do whatever I want at their house. My aunt, uncle and cousins are fun to hang out with.

I am thankful for my friends. I am thankful for Mia because she understands just like my mom. She is always there for me. I am thankful for Pailey because she is fun to hang out with. We play during recesses together.

I am thankful for Abby because she is good to talk to. I am thankful for Naomi because she is fun to play with during recess. I am thankful

for all of my friends
because they are always
there for me.

I am grateful for Mazel Day School.
I love the teachers because they are
very good at helping. I am thankful for my
classroom because it is where we get our
learning. I am thankful for the animals in
the classroom because they are fun to
observe. I am thankful for the security
guards because they keep our school safe
from any danger.

As I enjoy the holiday season, I realize
that I have many reasons to be thankful.
Family, friends and Mazel Day School are just
a few blessings in my life!
