I Am Thankful to be Me

I am thankful to be hispanic

My whole family is hispanic

It is really fun to be hispanic.

We make a lot of great food.

My favorite food is tamales and tacos.

Also I am thankful for my intelligence

I am really good at math

I am thankful to be on the basketball team

It was hard to make the team

One last thing I am thankful for is...

living on this earth, breathing in air and staying alive.

Life is good!
