Thankful to be Me

I am me  
But at times I wished wasn't  
Sometimes I wish that I could just disappear and be forgotten  
But I always remind myself that everyone is here for a reason  
I remind myself all the things that make me special  
And how everyone is unique in their own way  
As much as I want myself to disappear I also love myself  
I accept myself for who I am  
I am thankful my qualities and personality  
I love that I know how to play an instrument  
It was my dream ever since I was five  
I am thankful for my personality  
I am happy that I am a well behaved student  
It makes me happy to make my teachers happy  
I am me and I am thankful for that
