# MY NOVEMBER, THANKSGIVING

There are so many things to be thankful for. I can't name all of them, but what I'm thankful for is my family, food, and friends.

The first thing I'm grateful for is my family. My family respects me, they listen to me, and they love me. When I'm down, my family picks me up. They support me and they help me with my homework. Most importantly, they love me.

Secondly, I'm also grateful for my friends. My friends talk with me, they make me feel good about myself. They make me happy, they support me. This is why I'm grateful for my friends.

The third thing I'm grateful for is food. Food helps me live. On Thanksgiving, we eat a lot of food like —

turkey and pie and much more.

These are some things you can be thankful for on Thanksgiving like family food and friends.
