Thanksgiving

On Thanksgiving I am thankful
for my friends, family, vacations, and cousins

On Thanksgiving I am thankful for all the vacations
I went on. Because they were a lot of
money, and I am thankful that I could
even go on one.

On Thanksgiving I am thankful
for my family and friends and cousins
because it is fun to have
someone to play with you.

On Thanksgiving it is fun
to play with friends and family
that is why I love Thanksgiving

These are three reasons why
I love Thanksgiving 1 family 2 friends
3 vacations.
