I ♥ Thanksgiving!

There are many things I am thankful for on Thanksgiving.

The first thing is my room. The second thing is my parents. The final thing is my dog.

The first thing I am thankful for is my room. The first reason I am thankful for my room is that I have a window for fresh air. The second reason is so I have a bed to sleep on when it's night. The third reason why is because I have a desk to do my homework. This is why I am thankful for my room.

The second thing I am thankful for is my parents. One reason I am thankful for my parents is they care for me. The second reason is they give me food. The last reason is they gave birth to me. This is why I am thankful for my parents.

The final thing I am thankful for is my dog. One reason I am thankful for my dog is I can play with him when I am bored. Another reason is he loves me. Finally because he protects me. This is why I am thankful for my dog.

These are some things I'm thankful for but you can be thankful for them too! But I know that I am thankful for my family, my room, and my dog.
