# Thanksgiving thankfulness

These are three things that I am mostly grateful for on Thanksgiving. I'm thankful for my family, my friends and sports.

The first thing I am thankful for is my family. This is because they care for me. They also love me. In addition they also help me when I need it. They are always there for me. I'm really happy to have such great and kind parents.

The second thing I am thankful for is friends. We always laugh together. Have fun watching sports. It's really fun when we play soccer. My favorite thing to do with my friends is inviting them to watch the Super bowl together.

Finally the last thing I am grateful for is sports. When I play sports I never get bored because its really fun. Its also always exciting to watch your favorite teams play. Also its fun to watch super bowl nba finals Nhl Stanley cup the champions league and world cup and much more fun sports events to watch.

These are only some of the many things I am grateful for.
