Thankfull for thanksgiving

on Thanksgiving I am thankful  
for my house I'm thankful for my  
family and food and water.

I am thankful for my house because  
we have furniture and we have  
a kitchen a bathroom and a bedroom  
these are important because you can go  
to the bathroom and eat in the kitchen  
and sleep in your bedroom.

I am thankful for my family because  
they care for me and they help  
me when i need help because they  
are your family and they should  
care for you and help you when  
you need it also because they  
always love me.

I am thankful for food and

water like I would eat fish, rice,  
pasta, vegetables, fruits and water to drink.

these are some things that i am  
thankful for family food and water and  
my house.
