Thankful Essay

I am thankful for the rights that we have today. I am thankful for God making the world with people. If you are nice to people people will be nice to you. If someone is hurt, help them.

A quality that I have is that I am very caring. I care about all the people around me. I always make sure that people feel welcomed when I am around them.

Another quality that I have is that I am funny. I like to make jokes. People like the jokes and it makes me feel good to make them laugh.

I am a cheerleader. I love cheer so much. I am so good at cheer. It helps me have good sportsmanship and to be happy for others when they succeed.
