My Thanks

What are you thankful for? Could you be thankful for your vacation coming up? Or a trip to the mall? Or a new pet? Or maybe a new sibling? Or a new moving day? What is it?

Now, what do you think I am thankful for? I am thankful for having my parents. Why? I am thankful for them because they care, love, support, and pay for expenses for me.

They are very special to me, because since I was born, they have done those things for me. ✓

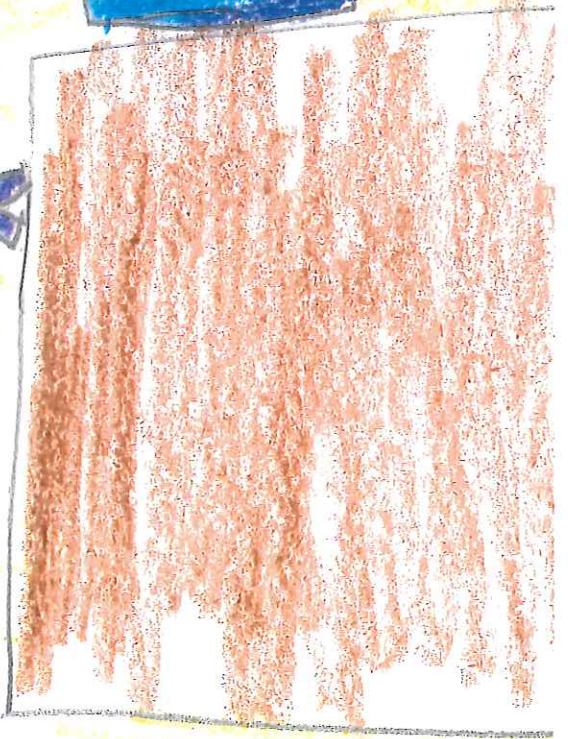

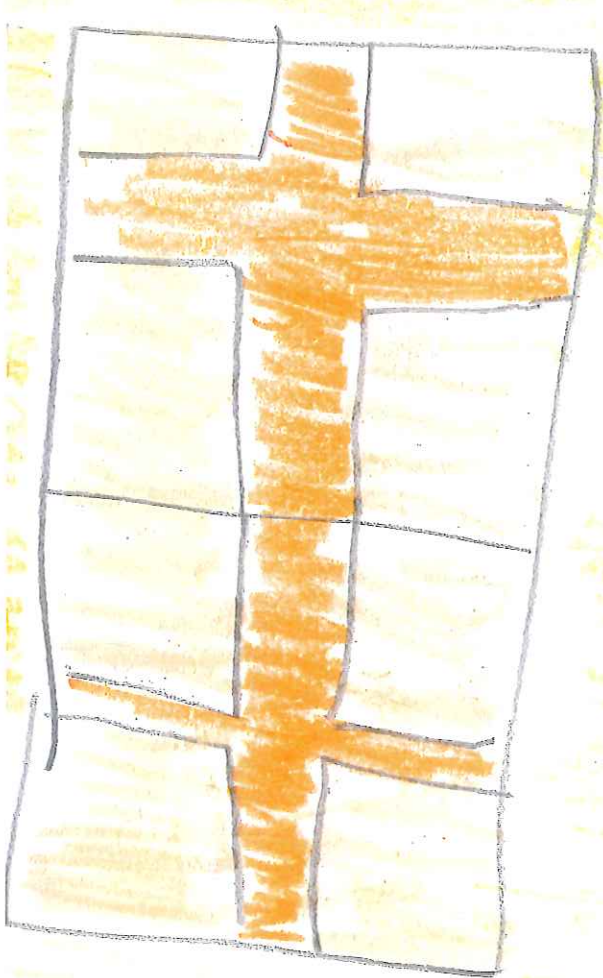

I am also grateful for my education. My education is a part of me. If I didn't have a school, I would not be able to share my education with different cultures of kids. My education makes me smart. I love that I have the ability to learn. I appreciate my education!

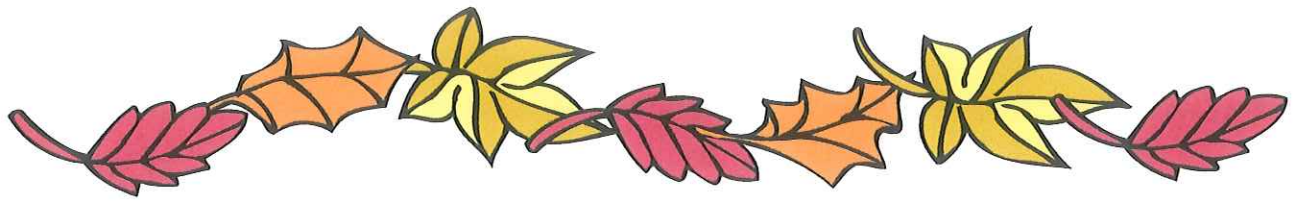

I appreciate all those people and things. I am grateful for my education. My parents are who I thank most. I am also appreciative of my

Give thanks with a grateful heart. Unknown
I am thankful for my mom because
I give her ~~big~~ hugs. Also we have
a nice time together and we
have fun. We go to my friend Ethan's
birthday party. Also have play dates
with my friends. I am thankful
for my stepdad because he
takes me to school everyday except
Tuesday, Saturday and Sunday but
we have good times together. But we
have fun with the xbox! And I love
him. I'm grateful for my xbox.
we have Halo 5, call of duty and
gears of war. I'm lucky to have
it. That is what I'm thankful for.

How can you show thanks?

I can show thanks by giving hugs and thanking other people. And that's exactly what I do to my family! I don't know what I would do without them!

I love my family so much. One reason that I am thankful for them is because they are always there for me and they keep me safe. My family will never give up on me, (as long as I try my best)! While I don't have a big family, that doesn't mean I can't love them as much.

Most things I am thankful for come from being around my family. For example if I
Alexis Kosinski

had a bad day, they'll find some way to inspire me, whether it's my mom, dad, grandma, grandpa, sister, aunt, uncle, pets, or my big family of friends!

One special family member

I am thankful for is my dog, Harley. Harley is part of my family. He is 4 years older than me; so I call him my big brother. I can count on my "big brother" because when I am frightened or bitter I'll burrow into him. Home is where the Harleys is.

EVERY BUNNY

NEEDS SOME BUNNY

SOMETIMES 

I'm grateful for my bunny because I have had her since I was 1.

Bun-Bun (our 'bunny') got dropped
off and my family nursed her
back to health. She has been
our family ever since. I
also enjoy when I when to
see her after school.

I am thankful for
many things.

BE THANKFUL

As we express our gratitude we must never forget that the highest appreciation is not to utter words but to live by them - John F. Kennedy

I am thankful for my family, freedom and God. My family is special to me in many ways. I could never ask for a better family than the one I have.

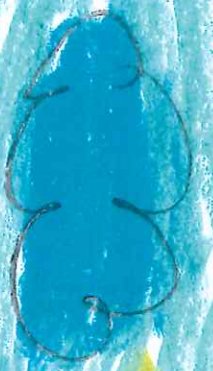

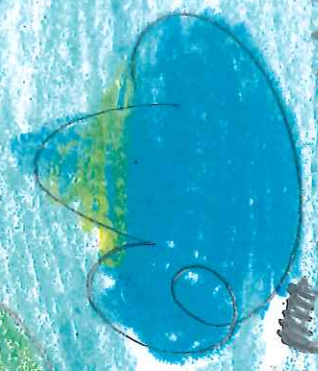

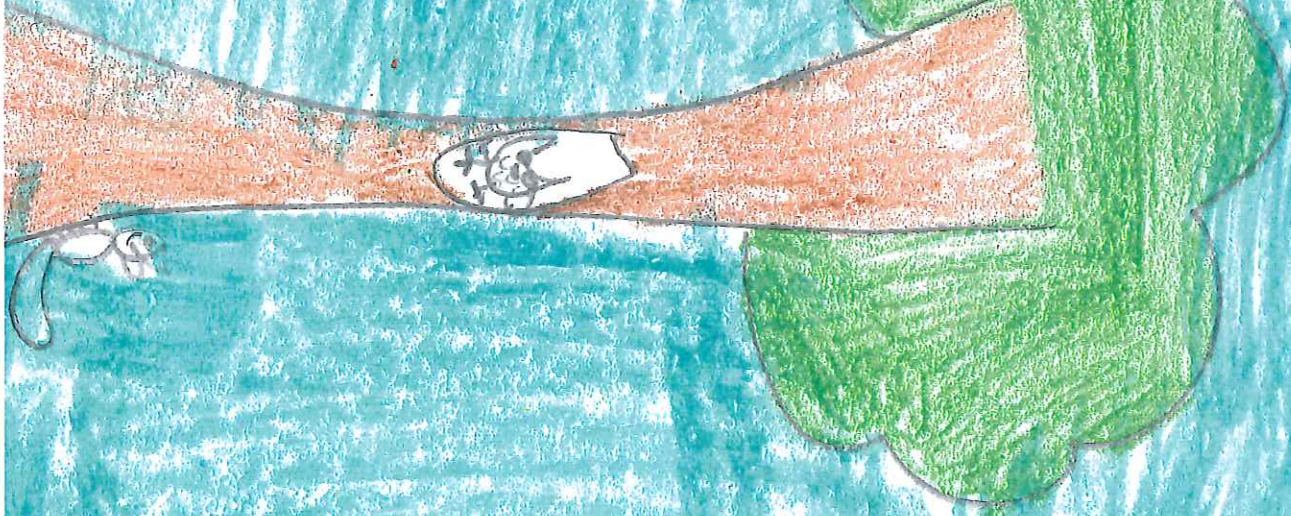

My family is like a million puppies. I know some people have no family, so I am thankful for mine. I'm happy I can have a family that can provide love for me. Some people don't love their family but I love them SO much. I would follow them to the end of the earth.

Freedom
Victoria Rojas

is very important to me.
I'm glad we are all free
in this country with no
more racism with black and
white people. I like that people
have freedom. I care about
people's freedom as well as mine.
Freedom is wonderful for
me. God is the
same as Jesus. He gives
me luck, hope and confidence.
I love Jesus. He is the
most important spirit in
my life. I love him more
than anything and anyone.
IF Jesus was a person ✓
I would come to him and
give him a huge hug. Those
are the things I'm thankful
for!!

I am thankful for my grandpa
because... He watches my sister and
me but if he did not, we would
be alone all day. I Love my Grandpa.

The thing that I'm really thankful
for is freedom because...
girls can go to school. We can share
schools if we're black or white. When
I grow up, I want to be a
firefighter. In some countries
you can't if you are a girl. That
is why I'm thankful for my
freedom.

The last but not least thing I'm
thankful for is God. God is important
because he created everybody,
especially Adam and Eve. That
is why I'm very thankful for
God.
