So Many Things I Am Thankful For

By: Ikra Ali

So many things I am thankful for,  
the food on my plate,  
my family that surrounds me with love and happiness,  
and the education I have that not everyone has.

So many things I am thankful for,  
to be in these united states,  
to live in the city that never sleeps,  
and to live in a place where everyone has the freedom,  
to be who they are,  
and to live how they please.

So many things I am thankful for,  
the earth that gives us what we need,  
the sun that shines no matter where we are,  
the moon that watches us through the nights,  
and the stars that tell us that there is light.
