

✿ Dear God,

I am thankful for my family who are going to throw a party. At that party we will have food I will be thankful for. I am also thanking my mom for having me & giving me early birthday gifts, balloons, & candy just in case she does not have money. I am thankful for my dad because he is helping my mom with all the money and makes sure I'm always healthy. I thank my teacher for teaching me & giving me advice & I thank Mrs. Galla for making me on the basket-ball team & giving me good advice too! I thank all my special teachers for giving me a lot of fun things to do. Thank God I have all this. Amen! ✿
