

Dear Senator Griffo, I am thankful for being adopted! I'm adopted and I am very glad that I am! So are have my other syblings: Giovanni and Diamonique. I love my parents and syblings. I'm thankful that I'm adopted because now I have a forever family! And that day was very,very exciting, when I got adopted!! My parents support me with any activity I do like:go to my cheer competitions and games,when I did dance they went to all of my recitals! We travel to places like: Tennessee,Watkins Glen,and Niagra Falls! Us kids,all of us kids, love, love, love our parents! It is so much fun having my parents that I have now. LOVE,LOVE,LOVE and we are almost always all pretty much polite. My sister - Diamonique- and I are mostly all the time getting along. We have pets,too - two dogs and three cats! FUN,FUN,FUN!!!! I'm spoiled,spoiled,spoiled-with mainly clothing!! Even though I have asthma and some other stuff, they did all they could to help! They put me in a good school, that has super good teachers and I also have extremely good grades!! I really excell in school because of all of the support I have. FAMILY,FUN,and FRIENDS! We are always getting spoiled.Well at least almost always. I get spoiled so much I've been playing since I was five and i have been playing in school since 2nd grade even though I had to try out in 2nd & 3rd it was still a lot of fun,escpecially being able to play with the highest grade and oldest kids!

Sincerely

Brittany Pippen
