What I Am Thankful For

I am thankful for a lot of things. I will be telling you a few of them, so let's get started. The first thing I am thankful for is my grandfather, for he does so much for me. One thing is he will drive me to school if I need to. He will fix things for me. The last thing is he always has my back.

Another thing is YouTube. Without YouTube I wouldn't be able to know how to hook up my Xbox controller to my Xbox. I would not be able to do what I love most, make YouTube videos.

The last thing I am thankful for is cameras. If I didn't have a camera I wouldn't be able to make YouTube videos and I would not be able to do photography. Finally, I would not be able to

film skateboarding. Those are the things that I am thankful for.
