

What I Am Thankful For

By Dresdon Foster

I am thankful for my family because they love me, they take care of me, and they give me food.

I am thankful for family because if I did not have a family I might go to an orphanage and might not have a lot of food or water.

Things I am thankful for are shoes, a bed, a room, a TV, an iPad, a bike, and clothes: all things my family gives me. I love my dad because he takes me fun places, he snuggles with me, he gives me hugs, he cooks dinner and it tastes good. I love my mom too. She hugs me, she does fun things with me, and she takes care of me. Another person who I love is my grandmother. She hugs me and she does fun things with me. She takes care of me just like my mom and dad do. My grandmother, my mom and dad all rocked me to sleep when I was little. That is why I am thankful for family.
