### What I am thankful for...

*I am thankful for many things in my life, but what I am most thankful for are my parents and my cat, Sherman.*

*I am thankful for my parents because they take care of me, get me what I need and give me shelter and tons of love. Also when I am sick my parents make me soup and give me medicine. Also I am thankful for my cat whose name is Sherman because he is very intelligent cat and if I am home without my parents he meows and makes sure that I am alright. Also when I am sick my cat jumps on the couch and checks on me. He also jumps into my bed with me. He loves me and I love him.*

*These are the things that I am thankful for and love the most.*
