### I Am Thankful For...

I am thankful for for my friends and Sylvester my cat, because they are both very important things to me. I am thankful for my friends because everyday when I go to school my friends are always around the corner. Also they are always there when I need them. I'm also thankful for my cat Sylvester because he is also the best one around. Though Sylvester is bad sometimes he is still there when I feel down. This is the reason why I am thankful for my friends and my cat Sylvester.
