It is almost Thanksgiving and in this article I will be telling you about what I am thankful for and why I am thankful for it . One thing I am thankful for is my family because without them I wouldn't have food,shelter or clothes . Another thing I am thankful for are my friends because they make me laugh and I get to have fun with them . Finally I am thankful for is my school and teachers because they gave me my education and the power to write what Im writing right now.Those are the three things I am thankful for .
