

Grateful for His Mercy!

I am grateful for his mercy,
Shown in life's given wonders,
A sunrise, a sunset, a rainbow after a storm!
They are the simple reminders of His power!

I am grateful for his mercy,
Shown in the kindness of others,
A smile, a thank you, a shoulder to cry on!
They are the symbols of angels on Earth!

I am grateful for his mercy,
Shown in the silence at midnight,
A stillness, a calmness, a whisper by the wind!
They are signs of peace sought after!

I am grateful for his mercy,
Shown in the sadness of a child's eyes,
A teardrop, a loud cry, a sound of constant pain!
They are what fill my heart with gratitude for life itself!
