

I'm Thankful

I'm thankful for my Bible verse.

I'm thankful for the universe.

I'm thankful for my mother,

And I'm thankful for my father.

I'm thankful for the trees and bees,

And I'm thankful for the nice breeze.

I'm thankful for my brain and head,

Or else I may be sick in bed.

I'm thankful for the animals,

And I'm thankful for each mammal,

I just want to let you know that I'm so

THANKFUL!!
