I Am Thankful For...

I am thankful for my Mom because she buys me food, clothes, and toys to entertain me. She also gave me birth to me, she fed me, hugged me and loved me. My mom also works to give me all I need a room to sleep in food, clothes, and stuff for my younger brother. She sometimes gets stressed out but she tries to make us happy always. I also love her very much. My mom also takes us out to places that are fun like Amusement parks. That is who I'm thankful for: my mom
