I am thankful for my family. I am thankful for my family because what they have brought to me in my life. My mom is loving and caring and helps me with everything I need. If I am having trouble on a school question my mom is there. If I am hungry my mom makes food. If I need help cleaning up my mom will help me.

I am thankful for my dad because he is just like my mom but he buys food, drink, clothes and brings money into the household. My dad also works, cooks and does his own chores.

I am also thankful for my sister because she helps me if I don't understand something and she is always around to play with me. I am also thankful for my pups or puppies Benji and Quincey because they'll love me no matter what and they are there to cheer me up when I'm blue or calm me down at least.
