As autumn comes to an end

Thanksgiving comes around

Thanksgiving is one of the best holidays

It is a time when you show how thankful you are for everything that you have

Such as when you "give thanks"

We all sit at the dinner table and we laugh and talk about what we're thankful for

Thanksgiving is the best time to do this- hanging out with my family

I am thankful for all my friends and family

They have always been by my side supporting me through every situation

I am very grateful for having an amazing family and group of friends

I can't wait for this time next year!

Happy Thanksgiving
