*What I am Thankful for*

I am thankful for a lot. Here are some things I am thankful for. I am thankful for love. Why? Well, I am thankful for love because without love the world will be filled with chaos and hatred. That would not be nice.

I am also thankful for family. I would not be happy if I did not have a mom, dad, sister or brother. Then who will I enjoy the good times with. This is why I am thankful for families.

Finally I am am grateful for food and water. It would not be so nice if you were starving without any food or water. I don't think it would be. These are what I am thankful for.
